

Golden Rod Feeder Championship 2019/20

Press Release

Following on from the tremendous 2018/19 Golden Rod Feeder Championship final, we are releasing the dates and venues for the next campaign of qualifiers.

The venues selected remain almost the same with the final again being hosted at Larford Lakes in March 2020.

This year, we have decided to change the prize fund slightly so to pay out to the top 10, rather than just the top 4.

The overall final prize fund-

1st will collect £10,000

2nd will collect £6,000

3rd will collect £4,000

4th will collect £3,000

5th will collect £2,000

6th will collect £1,500

7th will collect £1,000

8th will collect £600

9th will collect £400

10th will collect £300

In addition to the overall prize fund, the final will also pay £150 for the section winners each day.

There will be 6, 10 peg sections each day x 2 day final.

So in total, the prize fund will be a **massive £30,600**

To spread the winnings more evenly and rewarding the top 10, rather than the top 4 only, in the final, the entry fee per qualifier will increase slightly to £40 per ticket, enabling the prize purse to be substantially more.

Pools (not optional) at each qualifier will remain at £20 per angler.

The rules for the competition remain unchanged (see event rules on the Golden Rod website)

Tickets go live on MONDAY JULY 1ST 7PM

Tickets for the qualifier are available from www.goldenreelangling.co.uk
